FALSE REGISTRATION.—New York, Nov. 5.—Numerous efforts were made up to half past ten o'clock at the polls, most of them on warrants issued by a commissioner on charges of false registration. The rest were for various causes.

LIBERAL VICTORY.—St. Louis, Nov. 5.—Dispatches from St. Louis, speaking of the election yesterday, say it was quiet and orderly throughout the state. The number of votes polled in this city, is between 35,000 and 40,000. The Pléyade says the entire vote of the parish of Orleans was 38,624. Majority for the Liberals and Democratic fusion estimated at 12,000. The state fusion ticket is probably elected. The times point strongly to a majority for Greeley and Brown of 11,000. The Liberal state committee claim heavy gains in the interior and believe their candidates will come to the city about even, leaving them a clear majority of 12,000 in the state. A dispatch dated at noon says, indications point strongly to a majority for Greeley and Brown of 11,000. The Liberal state committee claim heavy gains in the interior and believe their candidates will come to the city about even, leaving them a clear majority of 12,000 in the state. A dispatch dated at noon says, indications point strongly to a majority for Greeley and Brown of 11,000. The Liberal state committee claim heavy gains in the interior and believe their candidates will come to the city about even, leaving them a clear majority of 12,000 in the state.

JEFFERSON CITY, Mo., Nov. 5.—This county is very close and the result is still in doubt. Grant will probably carry it by a small majority.

NEW YORK, Nov. 5.—Several ladies voted in the Seventeenth ward. 7:20 p.m.—One hundred and two city districts heard from giving Greeley 4,900 majority, indicating that the city will carry it by a small majority.

BANGOR, Me., Nov. 5.—This city gives Grant a majority of 962 against 352 for Perham in September.

CHICAGO, Nov. 5.—The election throughout the city was quiet and orderly and it is thought the aggregate vote will be full on account of the numerous candidates for aldermen in various wards. Any speculation as to the general result would be the merest guess work, as by law in this state no votes can be counted until the polls are closed, and the hour of closing is at 7 p.m. The Journal says it is the impression that Grant has carried the city by a handsome majority, but that of Oglesby, Republican candidate for governor, is doubtful.

MEMPHIS, Nov. 5.—The election passed off very quietly. A heavy vote was polled, and it is probable the entire citizen ticket for the legislature, put forward in opposition to the regular Democratic ticket, is elected. Maynard, Republican candidate for congress at large, will carry this county, while the contest between Hayes, Democrat, and Lewis, Republican, for congress, will be very close.

205. Partial returns from 9 other precincts, give Grant 906, Greeley 563, and indicating a majority in the county of about 800. The total vote in the county for Grant will be over 2,300, a gain of one hundred. The total vote in the county for Greeley will be about 1,600, or falling off of about 600 from August election. Brown for congress will receive about the same vote as Greeley.

DETROIT, Nov. 5.—The indications are that Michigan will give the Republicans a majority of at least 30,000. Grant interest is felt in the result of congressional election. First district, which includes Detroit. The result cannot be known until a late hour.

In the city districts Kellogg, Republican, Bond, Republican, and Plummer, Liberal, are believed elected, but in the other districts it is very close. Jennison, Republican, Moonlight, Liberal, and Birnie, Liberal, are probably elected senators. The count will not be finished before daylight. Walker runs fully up to his neck. Both parties are jubilant. In four county districts it is believed all the Liberal representatives are elected.

Osborne Republican candidate for governor, runs behind, his majority will not exceed 600. The Republican congressman will be elected by about 750 majority. Mitchell, Liberal candidate for congress will gain about 200 in this home county, mostly at the expense of Judge Lowe. Lowe's majority, however, will exceed Osborne's.

WYANDOTT, Kan., Nov. 5.—Wyandotte county is very close and will take official count to determine result. Liberals will elect a senator and one member of the legislature with a majority of minor officers.

ST. JOSEPH, Mo., Nov. 5.—No positive figures can be given tonight of the election in this city. It is believed that Grant and Henderson have fallen three hundred majority in the city; while Judge Parker, for congress, will reach nearly four hundred. Woodson runs considerably behind his ticket. CONVICTS OF THE LONDON TIMES.—LONDON, Nov. 5.—The London Times of this morning, in an article forecasting the result of the presidential election in America, says the re-election of Gen. Grant will be eminently satisfactory and will defeat the audacious intrigue to secure control of the government. U. S. Grant has not proved a perfect chief magistrate. He has been guilty of extreme carelessness, and it is to be hoped he will take a lesson from the developments of the past six months. His errors were errors of ignorance, but this defense will no longer hold good. The past must be effaced. Reform of the civil service is demanded. The appointment to office of persons qualified to administer their duties accessory to the power of the people. Grant's will must force national legislation to reform.
